

# CONNECTION

## Become part of Denmark's biggest network for financial employees

Join eight out of ten financial sector employees and become a member of Finansforbundet. You will receive expert advice, courses and coaching that will help you to thrive and succeed in your working life – even when you move forward in your career.

### What we negotiate for you - the collective agreement

- Balance your work life: 6 weeks of holiday, 5 days of dependants' leave and 4 additional days' holiday
- You can afford to go on holiday: You will receive a holiday bonus of 3.25 per cent in your salary - 225 per cent more than the statutory requirement
- Take care of your teeth: up to DKK 30,000 per year for dental treatment
- Rapid treatment at, e.g. a private hospital
- Finanskompetencepuljen that provides you access to courses and programmes that develop you

### Use your personal opportunities

- Book a personal coaching session concerning your job future and well-being
- Get feedback on your CV and applications

- We check your employment contract within 24 hours
- Choose between more than 200 annual events that can inspire and develop you
- Participate in specialised networks and gain new contacts, knowledge, sparring and development

### Don't miss out on your cash benefits

- Free membership of Dansk IT
- Attractive group rates with insurance from Tryg
- Access to e.g. holiday homes, and Forbrugsforeningen

Get started already today for only DKK 260 per month. The first three months of membership are currently free of charge.
